Welcome to a veritable “land of enchantment”. New Mexico is a place diverse in culture and scenic beauty. In both Santa Fe and Albuquerque discover cities rich in multiculturalism, natural beauty and profound history. Albuquerque’s International Balloon Fiesta has grown into one of the world’s most photographed events.

The Balloon Fiesta is a world-renowned attraction and destination. For more than four decades, the first week of October brings the smell of roasting chiles and the beautiful, magical moving picture show of hot air balloons sailing silently through the crisp fall air.

From its modest beginnings in 1972 with 13 balloons launching from a shopping mall parking lot, the Balloon Fiesta has grown to multiple events launching year-round at the custom-designed, 365-acre Balloon Fiesta Park. This signature event, with over 600 balloons, is the largest ballooning event on earth, the most photographed event on earth, and one of the largest annual international events held in the United States.
